

Donation Opportunity

Aloha!

The goals of the Home Delivery Nutrition program are to promote better health and nutrition among older persons and provide an opportunity for social contact through our volunteers and staff. We hope the meals and services we provide make a difference in your life and help you to remain healthier and independent.

As you know, there is no charge for our meals and service. <u>They are free.</u> We offer participants in our programs an opportunity to make a donation to Keiki to Kupuna Foundation. You will receive meals whether you are able to make a donation or not under the Home Care Program.

Contributions are voluntary and anonymous, and are used to fund more meals for eligible kupuna (seniors). The suggested donation is \$4.00 for each meal you receive. If you are able to make a contribution, please send a personal check or money order made payable to Keiki to Kupuna Foundation.

If you would like us to acknowledge your contribution, please complete the section below and return with your donation to Keiki to Kupuna Foundation, Home Care Program.
